MEMORANDUM OF UNDERSTANDING

Kindergarten Share Time

It is hereby agreed and understood by and between the Ontario-Montclair School District and the Ontario-Montclair Teachers Association, that unit members teaching kindergarten classes will work sixty (60) minutes with other kindergarten teachers or kindergarten students (share time).

When there is an even number of AM and PM teachers, the time will be provided to support instruction in their partner's classroom.

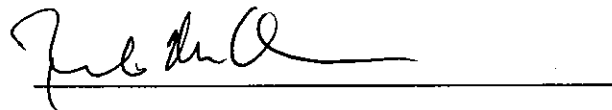

If there is an odd number of kindergarten teachers or all of the kindergarten classes are scheduled in the AM, teachers will be expected to collaboratively develop a plan to provide equal support to each other.

Alternatively, the kindergarten teachers may develop a plan to support instruction of students in other primary grades, subject to the approval of the Association and District.

This Memorandum of Understanding will become effective July 1, 2008
